Policy Statement

Any human subject research conducted by faculty or students associated with CU is subject to the review process of the Institutional Review Board of Carolina University.

Policy Procedures

Carolina University recognizes the need to provide careful oversight of all institutional research involving human participants. The protection of human research subjects is both ethically responsible and consistent with the principles specified in the Code of Federal Regulations, Title 45, Part 46 (45 CFR 46), and the Belmont Report.

Compliance

Federal: Title 45, Part 46 (45 CFR 46) / Belmont Report
