Policy Statement

As a foundational aspect of the program, students are required to attend a one-week on-campus residency the first time it is offered after acceptance.

Policy Procedures

The residency is a highlight for students as they begin to develop competencies in dissertation choice, design and methodology, and APA writing style and format. It is an opportunity for students to build relationships with professors and grow their own personal networks with fellow students.

A \$260 fee is attached to the residency requirement. In an effort to make the event as affordable as possible, room & board on the CU campus are offered at an additional reasonable cost. Details are provided by the School of Leadership prior to registration for the event.
