Policy Procedures

Christian service is a vital part of university life at Carolina University. Each semester, all students receive information regarding Christian Service with complete details about the procedure to follow. Christian service can be accomplished either in the local church or through Christian non-profit organizations connected to CU. Each school year, students will be introduced to Christian non-profits and given the opportunity to serve others in this capacity. Students may choose to fulfill their Christian Service individually, in groups, or with their university societies.
