Policy Statement

All students are required to faithfully attend a local church approved by the Student Services Department.

Policy Procedures

Students must attend the same church for all services unless they are returning home or for special events. Exceptions must be approved beforehand by the Student Services Department. Students are required to attend Christian churches that are Biblical in doctrine, subject to approval of the Dean of Campus and Spiritual Life. A student who wishes to continue attending his or her home church may request permission to do so as part of the admission process.
