Policy Statement

Students who choose to work off campus must follow the certain guidelines.

Policy Procedures

- Students may accept employment at an establishment that serves alcohol as part of the meal; however, students are not permitted to serve the alcoholic beverages.
- Working at an establishment that exclusively sells alcoholic beverages and/or sells pornographic items is prohibited.
- The place and hours of employment are subject to the approval of CU.
- If students need regular work which prevents them from being in the residence hall at the required time, they must obtain permission from their respective Dean.
