## **Policy Statement**

There are several organizations at CU. Students seeking positions as class or campus organization officers, as members of gospel teams, or athletic teams, must meet the qualifications designated in the Student Government Constitution.

# **Policy Procedures**

#### **Class Officers**

During the first class meeting of every academic year, each class, including the freshman class, will elect officers to direct the class meetings, plan fundraisers, and organize other activities.

### **University Societies**

All main campus undergraduate students have the opportunity to join a student-led Society. Each society works to connect students to organizations and opportunities with the purpose of giving students avenues to gain service hours and help the CU student body impact the immediate community. Each society emphasizes different service areas as follows:

- Beta Sigma Hunger Ministries
- Pi Delta Homeless Ministries
- Gamma Chi Women's Ministries
- Alpha Phi Underprivileged Youth Ministries
- Omega Nu Evangelism

# **University Clubs**

Students who share a common interest can apply for a club charter. A club must have at least 5 students and a university employee willing to sponsor the club. Initial club charters are for two years with a five-year charter available upon renewal.

#### Student Government

Officers for the Student Government are elected by the student body as a whole. Additional representatives are appointed from each Class and Society. The Student Government's members are responsible for planning social activities throughout the school year and serving on the Student Conduct and Student Guidance Committees.
