Policy Statement

CU students, faculty, and staff have in-person borrowing privileges to the physical collections at any of the participating libraries in accord with their borrowing policies.

Policy Procedures

Borrow from other libraries in a reciprocal borrowing program

- For more information and for locating a participating library, go to the following sites:
 - [ATLA Reciprocal Borrowing Program](#)
 - [ACL Reciprocal Borrowing Program](#) (If you wish to make use of this one, the Manuel Library will need to assist you in filling out a form to take to the other library.)
 - [CTLIC Reciprocal Borrowing Program](#)
- Note: Though not an agreed-upon aspect of the programs, it is possible that these libraries would also allow on-site access to their digital resources as well.
