### Policy Statement

In keeping with that which Christ taught to be essential in the character of Christians, students are to avoid gossiping, backbiting, and maligning of character.

### Policy Procedures

It is the goal of Carolina University to provide a Christian atmosphere and one that challenges students to live lives pleasing to Christ, guided by biblical standards and manifesting the fruit of the Spirit. The University expects believers to exemplify Christian love, consideration of the rights of others, honesty, and a high sense of Christian ethics.
