Policy Statement

All students will be reviewed for academic progress at the end of the fall, spring, and summer semester.

Policy Procedures

A student fails to demonstrate satisfactory academic progress if he/she does not meet the designated GPA and completion rate standards outlined in the Satisfactory Academic Progress Policy. A student who does not meet the satisfactory academic progress standards will be notified by the Registrar. A student who wishes to appeal his/her status should do so by following the Academic Appeals Policy or the Satisfactory Academic Progress Appeals Policy, as appropriate.
