### Policy Statement

Institutional Aid will be awarded in direct correlation to the student's academic standing following catalog policies.

### Policy Procedures

It is possible for a student to receive institutional aid while not qualifying for federal aid. A student will receive institutional aid during semesters of Academic Warning, Financial Aid Warning, and Financial Aid Probation, but will not receive institutional aid while on Financial Aid suspension, nor after readmission from a semester of suspension. Institutional Aid will be reinstated when Federal Aid Eligibility is reinstated.
