### Policy Statement

Discounts and scholarships are awarded and applied beginning with the term (Fall/Spring/Summer) in which a student is approved and enrolled and are not retroactive. Carolina University offers federal grants, work study, institutional scholarships, and work study options.

### Policy Procedures

#### Institutional Grants

Carolina University offers a variety of Institutional Grants and Scholarships to make quality education accessible for degree-seeking students. Scholarship and Institutional Grant requirements vary and have limited stackability and will follow the General Scholarship Rule.

#### Funded Scholarships

Funded scholarships are awarded through an application process and Scholarship Committee review. The priority deadline for funded scholarships is March 1 of each year.

#### Athletic Scholarships

Athletic scholarships are initiated by the Athletic Department. In order to qualify for an athletic scholarship, students must be enrolled full-time in a degree-seeking program and eligible for athletic participation. The tuition limit does not apply to athletic scholarships; however, students must meet Financial Aid Satisfactory Academic Progress (SAP) requirements to receive an athletic scholarship.
