Policy Statement

Discounts and scholarships are awarded and applied beginning with the term (Fall/Spring/Summer) in which a student is approved and enrolled and are not retroactive. Carolina University offers federal grants, work study, institutional scholarships, and work study options.

Policy Procedures

Institutional Grants

Carolina University offers a variety of Institutional Grants and Scholarships to make quality education accessible for degree-seeking students. Scholarship and Institutional Grant requirements vary and have limited stackability and will follow the General Scholarship Rule.

Funded Scholarships

Funded scholarships are awarded through an application process and Scholarship Committee review. The priority deadline for funded scholarships is March 1 of each year.

Athletic Scholarships

Athletic scholarships are initiated by the Athletic Department. In order to qualify for an athletic scholarship, students must be enrolled full-time in a degree-seeking program and eligible for athletic participation. The tuition limit does not apply to athletic scholarships; however, students must meet Financial Aid Satisfactory Academic Progress (SAP) requirements to receive an athletic scholarship.
