Policy Statement

The policy and intent of Carolina University is to fully and completely comply with the Americans with Disabilities Act of 1990 (ADA), the Rehabilitation Act of 1973, and the Americans with Disabilities Amendments Act of 2008, to the extent that they apply to the university.

Policy Procedures

Carolina University will not discriminate against an otherwise qualified student with a disability in the admissions process, or any academic activity or program, including student-oriented services. Carolina University will provide reasonable accommodations to the known physical and/or mental limitations of a qualified individual with a disability, unless it would impose an undue hardship on the operation of the university, or unless it would fundamentally alter a degree or course requirement. Qualified students must request reasonable accommodations for disabilities through the Disability Services Coordinator in Student Success Center.
