Academic Integrity of Online Courses

AA_AT_ON_10

Responsible Officer Terrill Gilley Responsible Office Academic Technology Approving Body Board of Trustees Approval Date 2019-11 Re-evaluation Date 2021 Departmental Impact Academics

Policy Statement

Students in online courses are expected to abide by the same integrity standards as students attending classes on campus.

Policy Procedures

Some instructors may choose to require proctoring services to ensure academic integrity in their courses.
