Policy Statement

In order to be admitted into an undergraduate degree program, a student must possess a minimum 2.0 high school GPA.

Policy Procedures

The prospective student should complete the following steps:

1. Submit a complete application online at carolinau.edu. The application should be accompanied by the application fee which can be submitted via web instructions.
2. Request official transcripts from high school and any other college(s) attended to be mailed or submitted via secure electronic transfer by the institutions to the CU Office of Admissions.

Note: Although standardized test scores (SAT/ACT) are not required for admission to the university, there are cases in which a student may benefit by submitting scores. These include Academic Scholarship evaluation and athletic eligibility. It is within the applicant's discretion to determine whether it is necessary to submit scores.
