The Steven A. Cohen Military Family Clinic at Centerstone

★ Therapy for Veterans, Active Duty, and Military Families ★

★ WHO WE TREAT ★

VETERANS & ACTIVE DUTY:

Post-9/11 veterans who have served in the United States Armed Forces, regardless of role while in uniform, discharge status or combat experience.

This includes the National Guard and Reserves. We also serve active duty service members with a TRICARE referral.

MILITARY FAMILIES:

Family members of veterans and active duty service members including parents, siblings, spouses or partners, children, caretakers and other family members as defined by the veteran or service member.

★ OUR CARE ★

We offer high-quality, customized therapy for a variety of mental health challenges including anxiety, depression, PTSD, transitional issues and relationship concerns.

Our skilled clinicians and staff are culturally competent and aware of the issues faced by veterans, active duty, and their families.

Our care is confidential and private.

We will not share your information with any public, private or government entities unless required by law.

Get care without having to visit the clinic.

Telehealth is face-to-face video therapy that allows clients to have appointments in real time through confidential video conferencing.
